

Government of Western Australia
Child and Adolescent Health Service

Drawing competition

Are you aged under 16?
Do you LOVE  to draw?

The Child and Adolescent Health Service (CAHS) provides services to support the health, wellbeing and development of young Western Australians.

How to enter

We need up to **seven** fabulous drawings to represent our CAHS vision and values. You just need to paint or draw a picture of what you think our vision or values look like!

CAHS vision:

Healthy kids, healthy communities

CAHS values:

- **Compassion:** We always act with courtesy and care, so you're treated with real kindness. **Kindly caring for you.**
- **Collaboration:** We care about our colleagues and partners; by cooperating, we improve. **Nice work everyone.**
- **Equity:** By treating people in a fair and just manner, everyone receives the same rights and opportunities. **A fair go!**
- **Respect:** Your dignity is recognised and your self-worth is supported and valued. **Feelings matter too!**
- **Excellence:** By striving to improve, we constantly get better and deliver better care. **Proudly doing our best!**
- **Accountability:** Always acting with integrity, we take full responsibility for our actions. **You can count on us.**
